

CERTIFIED SCHOLARS

Welcome to our new and improved school year!

My name is Ms. Ceonna Samuels and I am the new Headmaster at The St. Luke Legacy Center. I am a graduate of Old Dominion University where I received a Bachelor of Science, majoring in Psychology and minoring in Human Services.

After imagining how I could better serve our future leaders, I decided to start Certified Scholars in 2015. Certified Scholars is a professional tutoring company that has serviced over 2,500 youth in Virginia. It has always been my goal to positively influence children's outlook on their education. I was born into a family of educators, which inspired my strong dedication to our children.

Certified Scholars specializes in supporting individuals outside of classroom normalcy. It is evident that all children do not learn the same way or at the same pace. Our children are sometimes left behind due to other educators having to structure their lessons based on certain guidelines.

CERTIFIED SCHOLARS

Ms. Samuels loves to break down lessons to ensure comprehension and retention for all children. Certified Scholars professionals are trained to meet your child at their level and work at their desired pace.

At The St. Luke Legacy Center, we will offer virtual learning support, after-school tutoring, homeschooling and plenty of other services to ensure that our children are not left behind, as a result of the current pandemic.

We are committed to each child's success and we truly believe that our Scholars have the ability to achieve excellence, both inside and outside of the classroom. Standing in the gap is strongly emphasized throughout every program in our building and we want you to know that we are here for you.

Certified Scholars and Somebody's To Somebodies are dedicated to making this educational transition as smooth as possible for you and your child(ren). We are excited to begin this journey with your family! Thank you for entrusting us with such a great responsibility.

Here's to a fantastic school year!
